Skin.

for Lian

Sunkissed skin
such a ruddy shade of yellow;
A light must shine underneath.
With your sequined shoes and 80's sunglasses
that hide deep amber eyes blessed from the same secret source;
Your shoulders are hidden by a see-through poncho,
like a mall-girl mannequin in a western.
A voice scrubbed with Palmolive suds
turns strangely seductive in a low whisper.
So perfect in your own way.
Is there more here to find?
Looking deeper won't help;
a moment only has time enough to smile.
